

Really excellent experience! Organised well and staff really helpful. The actual race was ran with good medical staff and clearly marked routes. **Adrian Crossley, Namibia Ultra Competitor 2009**

Loved every second. Superbly organised. A well oiled machine. Fantastic people, fantastic memories. Roll on next year (maybe). **Stuart Moore, Namibia Ultra Competitor 2009**

Amazing experience. Great organisation. Well done to all your team and thanks for all the support and commitment. **John Peck, Namibia Ultra Competitor 2009**

Different experience this year more of an event due to more people – which was great. I'll be back! **Joakim Jonsson, Namibia Ultra Competitor 2009**

Brilliantly organised race. The medics deserve extra special praise for their efforts. I've rarely come across such devoted people. Thank you. **Kellie Power, Namibia Ultra Competitor 2009**

I wouldn't change a thing. Having doctors there like Amy, who understand that some people like a bit of pain with their sport was brilliant. **Steve Tidball, Namibia Ultra Competitor 2009**

Great. Well run and personable, felt safe and welcome. Liked varied terrain something for every taste. Heat will be the main challenge for a runner. Thanks for a great trip. **Allie O'Donovan, Namibia Marathon Winner 2009**

The race and whole experience was amazing. I thought the organisation of every element was just right, in terms of you never felt like you were being told what to do, and you knew behind the scenes it was being run like clockwork. Also loved being with like-minded people, which was refreshing. It was also very human in the way it was run. Letting Steve run again was a great decision and one which I think other organisations wouldn't have allowed. **Nick Tidball, Namibia Ultra Competitor 2009**

It just all worked. Just can't think of a single thing that was not on par. The training weekend, Steve & Amy - all calm and superb at their job. Office support (Jenn) ace! I just want you to know that as well as the race being an experience, the whole event and all the people have been amazing. Rock on. **Darren Roberts, Namibia Ultra Winner 2009**

Absolutely fantastic event, yourself and the team all made an event that will be with everyone for the rest of their lives and for the right reasons. The course was challenging yes, but that's why we do these and if it wasn't we would all be coming back disappointed. The organisation and logistics of race day was outstanding and this is clear in everyone's feelings today, for such a challenging race, in

a hostile and almost unbearable climate over such a distance. **Jerry Haywood, Namibia Ultra Competitor 2009**

I concur with all the positives by the others, great support and organisation before, during and after especially on the course. Great work keep it up. **Tom Adams, Namibia Ultra Competitor 2009**

I loved 100% everything. Even the DNF was a lesson. **Fran Jones, Namibia Ultra Competitor 2009**

Outstanding experience. The whole family atmosphere was brilliant. I definitely will be back. The ground crew always had everything under control. Many thanks **Stephan Godfrey, Namibia Ultra Competitor 2009**
